Whitney, below are two valid sources of public information for the aerial spray of Naled products. They may have already been tapped into by the PA/PIO, but wanted to make sure you had it. Both were updated recently for Zika activities.

EPA Naled information: <https://www.epa.gov/mosquitocontrol/naled-mosquito-control>

CDC Naled/Aerial Spray information has more here: <https://www.cdc.gov/zika/vector/aerial-spraying.html>
